(Count II), as well as a claim under Maine law for failure to provide a copy of the plaintiff's personnel file, 26 M.R.S.A. § 631 (Count III). Both parties will move for summary judgment on the MHRA claim and the personnel file claim. The defendant also plans to file a motion for summary judgment on the ADA claim.

The following deadlines and page limits were established by agreement:

By December 17, 2013, the parties will file cross motions for summary judgment with a 35 page limit.

By January 21, 2014, the parties will file their responses to the motions for summary judgment with the Local Rule providing the page limit.

By January 28, 2014, the parties will file their replies to the motions for summary judgment with the Local Rule providing the page limit.
